

Managing Director

Our client is a German medium sized company with more than 1000 employees and it is one of the leading manufacturers of sport and leisure products. In order to assure an effective and contemporary production, we are looking for an experienced and motivated Managing Director for a manufacturing plant in Poland.

Location: West Pomerania

Your tasks:

- Management of manufacturing, development, logistics and administration
- P&L responsibility
- Continuous development of the current structure and processes
- Development and implementation of the strategy
- Management and motivation of staff (around 400 employees)
- Working closely with the parent company
- Assure the achievement of the parent company's goals

Our requirements:

- University degree in a relevant subject, such as Business Administration, Engineering, Supply Chain Management, or Operations Management
- At least several years professional experience in a management/director post with P&L responsibility
- Strong understanding of how a business operates and proven track record demonstrating this
- Strong and confident personality, with down-to-earth and hands-on mentality
- Polish mother tongue. Very good language skills in English or German.

If you believe you meet the criteria to apply for this role, please send us your detailed CV and portfolio to application@remel-es.de.
